

## NIC-SOLAPUR

The District Unit of NATIONAL INFORMATICS CENTRE SOLAPUR was setup in 1988. Initially the Centre was operational in the premises of the South Solapur Tahsil office, in the Collectorate campus. Later it was shifted to the main building of the Collectorate in 1994. Since then District Unit of NIC is located here.

NIC's Video conferencing room is just adjacent to the district centre, located in the District control room of the Collectorate. The video conferencing services have been started since Jan.2004.

As a part of e-governance, NIC-Solapur is involved in implementing many application softwares since its establishment. Due to the initiatives taken and valuable feedbacks, the centre was involved in many important projects as a pilot implementing district for beta testing.

The centre is responsible for other setups such as

- ✓ Full fledged Computer Centre at Zilla Parishad and its various branches
- ✓ Full fledged Computer Centre at District Court and its connecting branches
- ✓ Computer Centre at District Industries Centre
- ✓ Computer Training to office staff members of Govt. and Semi-Govt offices.
- ✓ Training to staff members of Govt. and Semi-Govt. offices for various application softwares
- ✓ Establishment of computer centers at all Tahsils, BDOs and TILRs offices of the district
- ✓ Establishment of Computer Centers at all Sub-divisional offices of the District
- ✓ Establishment of LAN at Collectorate and Zilla Parishad
- ✓ Successful implementation of various projects as per the guidelines from NIC-HQ and NIC-Maharashtra State Centre, Mumbai from time to time.

The main activities of the NIC-Solapur are mentioned below.

### OFFICE AUTOMATION SOFTWARES

NIC-Solapur has developed and implemented several office automation softwares since its establishment on various platforms. The noteworthy softwares are,

- 📌 Rainfall Monitoring System
- 📌 EGS Works Monitoring system
- 📌 Approved EGS works monitoring system
- 📌 Computerisation of PF accounts for Z.P.
- 📌 Election analysis s/w for polling stations, counting support and random nos.

### LAND RECORDS COMPUTERISATION

NIC-Solapur was selected as the pilot district for the Land records computerization. It was the pilot district for beta testing of computerisation of land records viz. village form no.7/12 and property cards.

The Land records softwares viz. LMIS and LINPCIS have been implemented successfully in the district. The backlog data entry of 7/12 and PR cards has been completed and the issue of these are being done from the respective Setu centers / offices.

The talukawise details of Land record are as below.

SN	TALUKA	NO. OF VILLAGES	NO. OF 7/12	NO.OF SURVEYED VILLAGES	NO. OF PR CARDS
1	NORTH SOLAPUR	54	34543	24	13196
2	SOUTH SOLAPUR	90	49905	23	19456
3	AKKALKOT	131	64996	20	24336
4	BARSHI	138	77591	32	43441
5	PANDHARPUR	95	119200	29	34458
6	MANGALWEDHA	81	69192	17	16366
7	SANGOLA	103	109500	33	22262
8	MALSHIRAS	112	131367	44	30383
9	MADHA	117	86353	29	25142
10	MOHOL	104	84391	33	22954
11	KARMALA	118	67732	24	19254
12	CITY SURVEY SOLAPUR	-----	-----	6 divisions	30077

## **ELECTION ANALYSIS**

Computerisation of Election Analysis was the major activity of NIC-Solapur. The centre has developed and implemented the Election Analysis Softwares covering all activities of the Election. The computerisation of four elections in last three years was a great success. The computerisation activities involved Management Information system of Polling Stations, Election Counting Support Software and Random numbers generation. Following is the list of election activities participation.

1. Active part in computerisation of Parliamentary Bye-Elections 2003.
2. Major participation in computerisation activities of Parliamentary Elections 2004.
3. Complete computerisation of Election activities of Assembly Elections 2004.
4. Computerisation of Assembly Bye-election 2004.

## **AGMARKNET**

AGMARKNET project has been successfully implemented in all 10 APMCs of the district. Solapur APMC was selected in the first Phase of the project, Sangola and Pandharpur in the Second, Karmala, Kurduwadi and Mangalwedha in the third and now in the fourth and last phase Akkalkot, Akluj, Barshi, Mohol, Vairag (Sub market under Barshi) and Modnimb (sub-market under Kurduwadi) have been selected.

The APMCs covered in the phases 1, 2 and 3 are sending day to day market prices and quantities on the AGMARKNET portal regularly. The other APMCs are about to send the data very shortly. NIC-Solapur is also one of the faculty members for the AGMARKNET training, to the staff of APMCs since 2002.

## **DOEACC'S CCC ONLINE EXAMINATION (CAPES)**

Since November 2004 NIC-Solapur has been entrusted the work of conducting DOEACC 'CCC' CAPES examination. The Centre has successfully conducted the exams till date. Till today about 400 candidates have appeared in last four online exams. This is a regular task conducted three times in a year.

## **SUPPORT TO OTHER GOVT. / SEMI GOVT. OFFICES**

Apart from above NIC-Solapur is extending technical support to following office in their day to day computerisation activities.

- ZILLA PARISHAD
- DISTRICT COURT
- NATIONAL SAMPLE SURVEY ORGANISATION
- CENTRAL WATER COMMISSION
- DISTRICT RURAL DEVELOPMENT AGENCY

- JAWAHAR NAVODAYA VIDYALAYA, POKHARAPUR, TALUKA MOHOL
- DISTRICT TREASURY

The District Unit of NIC is guided by the State Informatics Officer, Maharashtra State Centre, Mumbai and NIC, Head Quarters, New Delhi.

Following officers of NIC-Solapur have contributed for the successful implementation of various e-governance projects in the district.
